

NEVOFORGE / TECHNICAL DESIGN STUDIO

Project Title Goes Here

One sentence on what this deck covers and who it is for. Keep it under two lines.

SECTION 01

Section Divider

Bullet Slide

- > **Lead with the point.** Then one supporting sentence, no more.
- > **Three to five bullets per slide.** Split anything longer across slides.
- > **Bold the takeaway.** The dim text carries the detail.

Two Column **Layout**

Panel Heading

Two lines of supporting copy for this block. Panels stack vertically inside a column.

Second Panel

Use panels for options, phases, or components.

Specification

input: STEP / notes / brief
output: report / deck / audit
turnaround: 48h standard
