

# Project Title Goes Here

TITLE FIELD

One sentence on what this deck covers and who it  
is for. Keep it under two lines.

SEC 01

One bold statement  
carries the **whole**  
**sheet.**

# Bullet Sheet

- 01 **Lead with the point.** Then one supporting sentence, no more.
- 02 **Three to five items per sheet.** Split anything longer across sheets.
- 03 **Bold the takeaway.** The dim text carries the detail.

# Two Column Sheet

COL A / 7:12

COL B / 5:12

## Panel Heading

Two lines of supporting copy for this block. Panels stack vertically inside a column.

PNL-01

## Second Panel

Use panels for options, phases, or components.

PNL-02

## Specification

input: STEP / notes / brief

output: report / deck / audit

turnaround: 48h standard

PNL-03

# Table Sheet

| ITEM        | SPEC   | QTY | NOTE          |
|-------------|--------|-----|---------------|
| Example row | M3 x 8 | 12  | Chassis plate |
| Example row | 608ZZ  | 4   | Wheel hubs    |
| Example row | N20 6V | 2   | Drive         |

NEXT STEPS

State the single  
decision you want  
from the room.
